## The Story -- The Importance

### Affiliation

When a club affiliates with the Alberta branch, Royal Caledonian Curling Club, it becomes a part of curling's giant family. Each member of an affiliated club becomes a member of the branch. In turn, the branch is affiliated with the Dominion Curling Association which governs the sport from coast to coast. And the Dominion Curling Association is affiliated with the Royal Caledonian Curling Club of Scotland which is the parent club for curling throughout the world. Almost without exception, every curling club within the boundaries of the Alberta branch, RCCC, is affiliated. Thus, members of the affiliated clubs are eligible for bonspiels, zone playdowns, Consols and the Canadian championships for the Macdonald Brier Tankard. The many benefits of the branch are extended only to members of affiliated clubs. Many members of affiliated clubs in the district serve on the branch executive and thus have a chance to have a voice in the administration.

### The Branch's Work

For 56 consecutive years, the Alberta branch, RCCC, has run a branch bonspiel. Since then it has attracted practically all of the country's better curlers at one time or another and is one of the most popular events on the bonspiel calendar. For the past several years the number of rinks has varied from 220 to 270. This year's bonspiel, February 27-March 4, will have a limit of 256 rinks. The finals in all events will be held in the Stampede Corral. Many of the games will be held in the Big Four Building which has 24 sheets of artificial ice and is the largest curling building in the world.

The work of the branch which gets most of the attention is the handling of playdowns for men

and schoolboys. The branch directs the playdowns from the district level until provincial champions are declared. Conveners in each of the 16 districts are responsible for the success. Then, too, there is the co-operation of the sponsors — the Macdonald Tobacco Company and Taylor, Pearson and Carson. In 1958 the Canadian schoolboy championships were held here. And in 1961 the Brier returns.

Because of the Brier which was held here in 1948, the branch has funds available with which to assist member clubs. It is a fairly new venture for the branch, but already, several clubs have had assistance in securing matched rocks and paying off building loans. The branch does not actually loan money, but acts as an endorser on the loans in question.

### Branch Annual

This year, for the first time, the branch is publishing an annual. It is designed to outline the work of the branch and will contain the many records that have been assembled throughout the years. As well, there will be articles and stories about the affairs and the men of the branch. It will be published annually and will be supplied free of charge to about 15,000 members.

Because of space requirements, this is the only issue in which the constitution and rules will be printed. Members are asked to save this issue for reference purposes in future years.

The issue is possible because of the work done by the branch's publicity and printing committee under the chairmanship of Norris Wood.

The attractive front cover was designed by Nels MacDonald, and the issue was edited by Johnny Hopkins, assistant sports editor of the Calgary Herald.

## Branch President

ART FREDELL  
CALGARY, 1960 - 1961

Art Fredell, 1960-61 president of the Alberta branch, Royal Caledonian Curling Club, is at the helm during what will be the branch's busiest year. With the Canadian championships coming here for the first time since 1948, the popular Fredell will find the ordinarily extensive duties of the presidency magnified considerably.

A schoolteacher for the past 31 years (19 of them in Calgary), he has been active in curling circles for years, both as an administrator and competitor. He has been president of the North Hill Curling Club and was convenor of schoolboy curling in the city. He has been associated with the branch for the past 15 years.

He's an ardent golfer, too, having gone to the quarter-finals of the City Amateur one year, and is a member of Earl Grey.

## President's Message

Greetings to all curlers of the Alberta Branch of the Royal Caledonian Curling Club of Scotland. Our branch encompasses an area of the province extending from just north of Red Deer, south to the United States border and flanked by Saskatchewan on the east and British Columbia on the west. We are proud to say that there are approximately 15,000 active curlers in this area. It is our firm conviction that our association would be more efficiently administered and thereby greatly strengthened with the publishing of this journal. A committee headed by Norris Wood has worked diligently to prepare this for printing. And may we say that this publication would not have been possible were it not for those firms and organizations who have had faith in the worth of this enterprise and purchased advertising. We ask curlers to reciprocate this confidence by giving the advertisers their support.

We, of the R.C.C.C., Alberta Branch, extend our greetings to the Alberta Curling Association. This association has jurisdiction over that part of Alberta bordered on the north by a line running from Whitecourt to Fort McMurray and extending south to our northern boundary. We also extend our greetings to the Peace River Curling Association which covers the north-west part of the province. May we say that it has been, indeed, a pleasure to have worked with these two associations on a liaison committee dealing in provincial matters.

A special "Hello" to the junior curlers of our branch. The curling exhibited by them has been an inspiration to all. They have shown courtesy, determination, courage and, above all, fine sportsmanship in their bonspiels and playdowns. We are very proud to have them in our midst.

And may I, on behalf of the R.C.C.C., Alberta Branch, extend a hand of welcome to participants and visitors from all parts of Canada who are coming to the world's curling classic — Macdonald Brier Tankard, Canadian Curling Championship, which is to be held in one of our fair cities — Calgary next March. We are very happy and extremely honored to act as their host.

ARTHUR A. FREDELL

(President of the R.C.C.C. of Scotland  
Alberta Branch)

## DISTRICT PLAYOFFS

The Alberta branch, RCCC, is divided into 16 districts for playoff purposes. Fourteen of them are outside Calgary, two of them in the city.

Playoffs (both Consols and schoolboy) are handled by a convener in each district who also acts as a liaison man between the clubs in his district and the branch.

In Consols playdowns, districts nine and ten (Calgary) declare two representatives and one for Taylor, Pearson and Carson playdowns. Districts 16A and 16B declare only one representative for Consols and two for Taylor, Pearson and Carson.

District winners meet in the Southern Alberta playdowns in a double knockout draw. The winner then advances into the Alberta final (against representatives from the Alberta Curling Association, the Peace Curling Association and the Northwest Territories Curling Association) for the right to represent the province in the Canadian Curling Championship.

# *It All Began Here . . . . .*

The Alberta branch, Royal Caledonian Curling Club, was born on January 23, 1904.

On that date, in a room in the city's only curling rink, curlers from Alberta, the Northwest Territories and eastern British Columbia, formed the branch which now administers the sport from Red Deer south to the border.

The boundaries were much longer, though, back in 1904. It was agreed at the first meeting that any club in Alberta, N.W.T., Manitoba or B.C. was eligible to join the branch.

Earlier, curlers west of Winnipeg belonged to the Manitoba branch, RCCC, if, indeed, they belonged to a branch at all.

Elected first president of the branch was James Smart of Calgary. First vice-president was J. H. Morris of Edmonton and J. G. Ullock of Golden was second vice-president.

J. R. Miquelon of Calgary was secretary-treasurer.

On the executive committee were James Aird, Priddis; H. S. McLeod, Calgary; J. B. Mercer, Edmonton; M. L. Dainard, Golden; H. M. Trimble, Lacombe.

In that first year, the club affiliation fee was set at \$2 and a per capita fee of 25 cents.

From available records, it seems that the Alberta Curling Association was formed near the end of the First Great War, leaving the branch pretty well the area which it now governs.

Much of the information on the first few years of the branch and its activities are contained in two bound volumes at the Calgary Public Library. They were donated by Niven M. Jackson, later to be a president of the Dominion Curling Association.

The branch's first bonspiel (the first of 56) was held January 24-27, 1905.

There were seven events and 26 rinks.

First prize in the Grand Challenge was four pair of curling stones. Other prizes were bracelets, boots and fountain pens.

Skipping the ten Calgary rinks that year were S. S. Savage (who won the Grand Challenge), T. Tarrant, S. Spafford, George Lang, I. S. Freeze, J. A. Palmer, P. Turner-Bone, James Walker, James Smart, J. B. Smith, S. A. Ramsay, Frank Collicutt.

It's called the Rainbow bonspiel and regularly attracts the west's top rinks, such as the Richardsons of Regina. Lethbridge last year staged the Consols final as Stu Beagle won out over Matt Baldwin.

Representing district two in the Southern Alberta Consols last year was the Hugh Brown rink of Barry Coleman, Bernie Sparks and Garth Pilling, made possible because of the residence ruling adopted by the branch.

It was also a Lethbridge rink in the Southern Alberta Taylor, Pearson and Carson competition. It was skipped by Steve Gillies, with Rick Meidinger, Martin Foss and Bill Benedict.

Within the boundaries of district four, Claresholm has had the most success in dominion curling circles. In 1955 Hugh Brown won the Alberta Consols championship. And a few years later Bernie Sparks took his High school rink to the Canadian schoolboy championships.

In 1960 Roy Lyons of Barons represented the district in the Southern Alberta British Consols. He had with him Roy Kananen, Loyal Turner and George Andrekson.

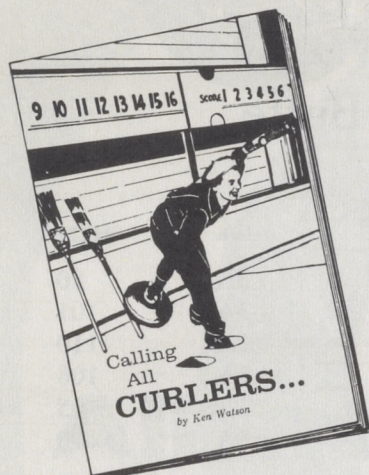

The district schoolboy title was taken by a rink from Picture Butte — Ken Ekawa, Harry Nagata, Gary Finley and Jim Yamada.

District five has an extremely high percentage of artificial ice sheets and is one of the branch's most active districts, under the convenership of Vance Hitchner.

The Turner Valley-Black Diamond Club has four sheets of artificial ice and a new building. The Okotoks club staged the district Taylor, Pearson and Carson playoffs in 1960 (won by the High River rink of Tony Arnold, Don Garrett, Don Olson, Bart Brocklebank) and in 1961 will hold the Foothills bonspiel, one of the province's oldest, on nine sheets of artificial ice.

High River also won the district Consols title with the rink of Scott Ellis, Dutch Woods, Herb Berke and Ernie Leigh. The club has four sheets of artificial ice which has been installed for nine years and also has matching Keystone rocks.

The two-sheet rink at Cayley has folded. It was unable to keep ice and its membership has been lost to High River and Nanton.

The Taylor, Pearson and Carson district playoff was won by a Brooks rink of Bill Hansen, Ken Budd, George Campbell and Don Murray. They went on to win the Southern Alberta title at Medicine Hat. Banff is providing district eight with its biggest building project, an eight-sheet artificial ice rink that will rank with the best in the country. Banff bonspiel has always been a popular one, and should become even more appealing with the addition of the artificial ice.

Convener of district is Bill Alexander who is also an honorary life member of the branch.

A rink from Canmore represented the district in Southern Alberta Consols play. It was skipped by Cross Crowe and with him he had Stan Sawchuck, Charles Venables and Henry Towers.

In Taylor, Pearson and Carson play the district was represented by the Springbank rink of Donnie Bateman, Perc Cullen, Jimmy Loews and Clarence Longway.

# Curling's Biggest Show

## CANADIAN CHAMPIONSHIPS IN CALGARY

ANDERSON

LAWSON

FOSS

FREDELL

GOODER

ENGLAND

SMITH

MURRAY

Curling's biggest show — and one of the dominion's premier sports events — is the Macdonald Brier, now more properly known as the Canadian Curling Championships since the sponsoring tobacco company turned over some of the reins to the Dominion Curling Association.

And in 1961, for the first time since 1948, the championships are coming to Calgary.

They will be held in the Stampede Corral March 6-10.

With the possible exception of the Grey Cup, it's doubtful if any Canadian sports championship attracts the attention that the Brier does. It's truly a Canadian final, with each province sending a representative which is determined only after some of the toughest competition that sports has to offer.

So there's a dominion flavor to start with. Couple this with the curling talent that is inevitably on hand, stir in the drama and the color which are so much a part of the championships, and what emerges is nothing less than a spectacle.

The championships return to Calgary in 1961, largely through the efforts of one man — Irl England. An excellent curler himself, a member of the Glencoe Club, a past president of the Alberta branch, RCCC, and an honorary life member, Mr. England spent the last five years trying to persuade the trustees of the coveted Macdonald Tankard to award the championships to Calgary.

In the spring of 1960, at Fort William, he was successful. Calgary was named as the site of the 1961 classic.

No more than a week later, the branch named a steering committee to organize the event.

Named to the committee were:

Irl England

Graeme Smith, immediate past president of the branch

Ken Anderson, a past president of the branch

Ed Gooder, a past president and honorary life member of the branch  
Art Fredell, 1960-61 president of the branch

Mr. England was named general chairman, charged with the responsibility of making the event a success, and Mr. Smith was named vice-chairman.

Since then a regular series of meetings have been held, and three members have been added to the committee. They are Jim Lawson, another past president and honorary life member; Stan Foss, an honorary life member and longtime secretary, and Bill Murray.

Dozens of more committee members will be named at a later date.

The Corral has been booked for the event, as well as for the last two days of the branch bonspiel (immediately preceding the Brier) which will insure excellent ice.

General Supplies Ltd. has agreed to provide 20 new, white Chevrolets and Oldsmobiles for the use of the host drivers.

Sponsors have been obtained for two receptions and one banquet.

Four thousand books of tickets will be printed. They will sell for \$5 and be good for all draws with the exception of a playoff game. Individual tickets for each draw will be \$1 and 50 cents for students. No reserved seats will be sold.

A tentative program has been drafted for the competing curlers which will include a visit to Banff, a church parade and several receptions and banquets.

Twenty-five suites and 250 rooms have been reserved at the Palliser.

A tremendous amount of work remains to be done, of course, and the co-operation of every member of the branch will be needed. Officials are anxious that the event be an even greater success than the 1948 Brier.

That year, of course, (and everyone agrees that the show really went big-time that year) Scotty McLaws of the Calgary Glencoe was the provincial representative. But the winner was a likeable guy from Trail, Frenchy D'Amour, who was having one of his finest years.

Canada's finest curlers will be in Calgary March 6-10, 1961, for one of the year's top sporting events.

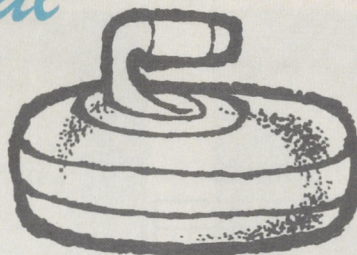

It deserves enthusiastic support.

A rink from the two Calgary districts went on to represent Alberta in the 1960 Canadian Curling Championships at Fort William. Stu Beagle skipped the rink with Jimmy Shields at third, Ron Baker at second and Fred Storey at lead. They beat out a rink skipped by Hugh Brown for the Southern Alberta title and then went on to win over Matt Baldwin in the provincial final.

The city was represented in the Southern Alberta Taylor, Pearson and Carson playdowns by Don Thonger of Mount Royal with his rink of Reg Saunders, Bob Wilson and Jack Thonger.

The Southern Alberta Consols were held at the Calgary Curling Club and the North Hill Curling Club hosted the provincial Taylor, Pearson and Carson final which was won by a Stettler rink.

In 1961 the city will hold the Canadian Curling Championships for the first time since 1948.

The 78 sheets of artificial ice leave the city behind only Edmonton and Winnipeg in Canada for the most number of artificial sheets of ice.

The Irricana rink won and represented the district in the Southern Alberta playdowns at Calgary. Skipping the rink was Elden Wray. Gordon Drake was third, Harold Knight second and Bob Knight lead.

Taylor, Pearson and Carson playdowns were held at Irricana Jan. 16, 1960, with seven schools participating — Beiseker, Kathryn, Carbon, Standard, Strathmore and Acme and Rockyford. Winning was the Acme school rink of Clifford Wulff, Russell Wiebe, Lyle Ward and Larry Empey. They represented the district at Medicine Hat.

Annual meeting of the clubs in the district was held Dec. 2, 1959, at Rockyford with the traditional oyster supper.

A Crossfield rink — Harry Wigle, J. Wickerson, Ted Bills and Don Stevens — represented the district in the Southern Alberta Consols playdowns. In high school play, it was the Crossfield club, too, sending out Larry Hehr, Bill Irwin, Glen Shantz and Warren McCool.

Didsbury and Airdrie both plan to install artificial ice for this season — four sheets for Didsbury and two for Airdrie, with facilities to add another two.

Biggest increase in membership has been in the Olds club. Olds will hold its annual bonspiel March 13-17 and six sheets of ice will be put into the Arena.

Innisfail won the district Taylor, Pearson and Carson title with the rink of Arnold Berry, Doug Eaton, John Koch and Ross Flohr.

The Red Deer Club holds what is probably the world's largest farmers' bonspiel each year.

In Taylor, Pearson and Carson playoffs, a Morrin rink carried the district's colors. The rink was comprised of Lawrence McNaughton, Dave Kashuba, Doug Sharp and Cliff McNaughton.

District 16 is large enough to warrant being divided into two sections, although only one representative is sent to the Southern Alberta Consols playdowns. Last year this was an Empress rink of Gregg Wilkinson, Buster Leach, Ed Steinly and Jack Scott.

Two representatives are sent to the Southern Alberta Taylor, Pearson and Carson playdowns, though, and last season they were J. McFarlane, G. Lawes, G. Green and W. Sims of Coronation and Red Marshall, Murray Peers, Gary Miller and Doug Krea Jain of Acadia Valley.

The Pollockville rink was built in 1954 and purchased matched rocks in 1959. The rink was covered with aluminum sheeting in 1957 and has been rented out for two summers.

## Curling

### Even in the Eighties

Records concerning athletics in the early days of Calgary are sketchy if, indeed, not non-existent. But it appears that curling was one of the first sports that residents of this frontier community first turned to.

The first curling club was organized in 1888 and called, not so strangely, the Calgary Club. A frame building was erected at what is now the corner of Fifth Avenue and Centre Street. That was early in 1889.

The property itself was purchased in the summer of 1890 from C. A. Bigger of Battleford, Sask., and registered in the names of James Walker, I. S. Freeze and George K. Leeson as trustees of the Calgary Curling Club.

In April of 1891 these men transferred the property to the Alberta Rink Company Ltd. The building operated until 1906 when the property was transferred to the new owners, Raby and Laurandeau.

Officers in 1891-92 were I. S. Freeze, president; James Bannerman, vice-president; J. C. Dowsett, secretary-treasurer; J. C. Herdman, chaplain.

The membership was an astonishing 90.

Some of the prominent early members were Judge Rouleau, James Walker, J. C. Miquelon, I. S. Freeze, J. R. Costigan, James Smart, J. F. Glanville and Col. Irvine of the RCMP.

(b) Taylor, Pearson & Carson Limited has donated a trophy emblematic of the single rink championship of the Province of Alberta with the winner earning the right to represent the Province of Alberta in the annual Inter-Provincial Championship Games and Pepsi-Cola Trophy.

(c) The Provincial Taylor, Pearson & Carson, Limited Trophy will be supported by suitable prizes for the winning rink and for the runners up.

(d) Taylor, Pearson & Carson, Limited will donate crests to all District winners, sweaters to the winning rink in Southern and Northern Alberta, and sponsor a dinner for visiting curlers at regional playdowns and Provincial finals.

(e) All travelling expenses of the Alberta Championship rink and one adult, selected by Taylor, Pearson & Carson, Limited, to accompany the rink, to and from Calgary or Edmonton to the locale where the Inter-Provincial playdowns are staged, will be borne by the sponsors, Taylor, Pearson & Carson, Limited.

(f) The Executive Committee of the Branch has adopted the following rules and regulations governing the playdowns for the Taylor, Pearson & Carson, Limited event to be held by the Alberta Branch Royal C.C.C. annually.

### DISTRICT PLAYDOWNS

1. FORMATION OF DISTRICTS: The school rinks under the jurisdiction of this Branch shall be formed into a number of convenient geographical districts consisting of school rinks, or clubs, affiliated with this Branch directly through the affiliation of the parent club in any, and all, towns or cities. No school rink, or club, will be allowed in the playdowns unless proper affiliation has been established.

2. DISTRICTS: The Districts will correspond with the British Consols Districts as formulated from year to year.

3. Each District shall be entitled to only one representative rink.

4. DISTRICT ORGANIZATION: The Branch will appoint an official Convenor as its representative. The duties of the District Convenor shall be, as the representative of the Branch, to see that a District Organization is created in each District, if he so wishes, and to assist the District Executive in arranging for playdowns, and where there is no Executive, or where the Executive is not functioning satisfactorily, to arrange for the District Playdowns on behalf of the Branch.

5. CLUB ENTRIES: Club entries must be in the hands of the Convenor, not later than the 8th day of January in each year, and in order to be eligible must be from a club in good standing affiliated with this Branch at the date of the entry. Individual players must be eligible under the rules governing the Taylor, Pearson & Carson, Limited Trophy and for the Pepsi-Cola Trophy emblematic of the Canadian School Curling Championship, which for the convenience of those not familiar with same are quoted as follows:

"Individual Players of each entry must be bona fide members of the Club they represent and must be students in attendance of the same high school whether in their local school or in the centralized school which they attend. All students participating in the playdowns must be full time High School (Grades IX - XII incl.) students (in

the case of a school operating on a split-term (semester) basis, the student shall have been enrolled for a full program from the beginning of the school year and with intent to remain until the end of the school year) and have an Academic Standing of 50% or better for the school term ending December 31st of the year prior to the playdowns. The final decision as to the personnel of the players of any rink will be left entirely to the discretion of the High School Principal."

"Residence' of any player coming under the above clauses shall be passed on by the governing body responsible for the enforcement of the provisions of this rule. Its ruling thereon shall be endorsed on the certificates as provided under Rule Four."

Student Defined — a boy in actual attendance in any High School for the current year.

The maximum age of any players shall be 18 years. That is —any player who has reached his 19th birthday on or before October 1st prior to the year in which the playoffs take place, is not eligible to take part in these Competitions.

6. Every rink entering this competition from any Club must signify its willingness, if successful, to represent the District at the Branch playdowns and go to Calgary or Edmonton, to represent the Branch in the Alberta Curling Championship and for the right to represent the Province in the Canadian Championship at Winnipeg, or elsewhere in Canada where the said Playdowns will be held.

7. CLUB PLAYDOWNS: The method of the playdowns will be determined by each club itself. Rinks eligible from each Club must have four active players, but in the event of any one player, or players, selected by the Club not being able to play in the District playdowns, a member, or members, in good standing of the home club may be substituted before the commencement of the District Playdowns.

8. SUBSTITUTIONS: No substitutes will be permitted after the District Playdowns have actually started. In the event of any member of a rink becoming incapacitated through illness, or unavoidable absence, then three members will continue to play. No sweeper will be allowed and no rink will be allowed to continue with less than three players:

- (1) If the skip is the player dropped, the third player shall become skip and the second player shall play his own and the third's pair of stones.
- (2) If the player dropped is the third, then the second shall play his own and the third's pair of stones.
- (3) If the player dropped is the second, then the lead shall play his own and the second's pair of stones.
- (4) If the player dropped is lead, the second player shall play the lead's and his own pair of stones.

9. DETERMINATION OF DISTRICT REPRESENTATIVE: The District representative shall be determined on, or before the 25th day of January in each year and it shall be the duty of the Convenor to notify the Branch in writing of the personnel of the winning rink and the Club it represents and to certify that each player on said rink is eligible to compete and that the Club it represents is in good standing and affiliated with this Branch.

10. **TIME AND PLACE:** The time and place of play shall be in the hands of the Convenor.

11. **METHOD OF PLAY:** The method of play to determine the District Representative in every District, shall be the double knockout system. All rinks entered in the District Playdowns will enter the first or A competition by a draw made by the District Convenor to determine position. When a rink has lost in the first or A competition the rink then enters the second or B competition. B competition should be pre-determined before the original draw is made in A competition by numbers.

Winner of A plays the winner of B. If winner of A wins first game no further play is necessary, but if B wins the first game a second game shall be played to determine the winner. (In other words, two losses by a rink and it is eliminated) All games — 10 ends.

12. In the District Playdowns, players will not be allowed to change their position on the rink after one game has been played.

#### **GENERAL RULES OF DISTRICT PLAYDOWNS**

13. Rules of the Alberta Branch R.C.C.C. of Scotland, govern actual play in all games in competition.

14. In the case of any dispute concerning the rules of the competition, it shall be placed before the Convenor immediately and the decision of the Convenor shall be final and without appeal.

15. If through lack of ice, or through other unforeseen circumstances, or, if only one entry has been received by the Convenor, said entry shall be entitled to represent the District as the

District Representative or the Convenor may nominate a rink to represent the District and the nominated rink shall be the District Representative, subject to approval of and acceptance by the Executive Council of the Branch.

#### **BRANCH PLAYDOWNS**

16. **PLACE AND TIME:** The playdown to determine the rink to represent this Branch in the Provincial Finals will be held at a time and place decided on at the Annual Meeting of the Alberta Branch R.C.C.C.

17. **DRAW SECRETARY:** Before the commencement of play, the Executive Council of the Branch shall appoint a draw-secretary to run the Branch Playdowns.

(a) Double knockout competition will be used as outlined under Method of Play Sec. 11.

18. The winning rink shall be entitled to represent the Branch in the Provincial Trophy Competition in Calgary or Edmonton, and if successful, to represent the Province in the Pepsi-Cola Trophy Competition.

19. **SUBSTITUTIONS:** In the event of any player, or players, on a rink winning the District Playdowns and being entitled to represent the District at the Branch Playdowns, being unable to commence play in the Branch Playdowns for any valid reason, a member, or members in good standing of the home club, and certified as such by the Secretary of the Club in writing delivered to the Branch Secretary before the commencement of play, may be substituted but no substitutes will be permitted after the Branch Playdowns have actually started and Rule 8 governing the District Playdowns will apply with equal force.

## A Canadian Champion

HOWARD PALMER

## One Brier Title In The Branch's History

One of curling's most perplexing puzzles has been the sorry showing of the Alberta branch, Royal Caledonian Curling Club, in the Macdonald Brier.

Since the competition (now known as the Canadian curling championships) was originated back in 1927, a rink from the Alberta branch, RCCC, has won the dominion title only once.

The Alberta Curling Association, on the other hand, has sent out such eminently successful skips as Cliff Manahan, Billy Rose and Matt Baldwin.

The one man who stands between a complete shutout for the Alberta branch, RCCC, is Howard Palmer.

He made several appearances as the Alberta standard-bearer, but it was in 1941 that he won it all.

On his rink that year were Jack LeBeau, Art Gooder and Clare Webb.

In the provincial final, they disposed of Billy Rose and his rink of Don Butt, Bert Cumberland and George Crooks.

The Canadian final was in Toronto that year and Palmer went through the event with an 8-1 record. His only loss was to Saskatchewan. Ontario finished second.

Palmer was to make another appearance in the Brier. That was in 1947. And this time he had Bob Munro, Chub Irish and W. H. Watson. That year they knocked out Cliff Manahan for the Alberta title, but the dominion crown eluded them.

Palmer has done little in the way of competitive curling since then, mainly because of the pressure of business.

After many years in Calgary as assistant manager of the T. Eaton Co. store, he was transferred to Lethbridge as manager in 1960.

Palmer, the draw artist, gave the branch a triumph that no other man has been able to equal.

### "IT CAME FROM EATON'S!"

...yet it might have originated in any one of the four corners of the world.

Leicester, Belfast and West Germany—and from these, buyers move out to shop the world for Eaton customers.

### "IT CAME FROM EATON'S!"

Whether you shop through the famed Eaton catalogue, or in a convenient Order Office—or in one of the big city stores that dot the country from coast to coast you are assured of top quality merchandise and service.

### "IT CAME FROM EATON'S!"

And that means it's supported by the renowned Eaton guarantee, "Goods Satisfactory or Money Refunded"—a guarantee that has been trusted by Canadians for 90 years!
